MEMORANDUM FOR: Director of Central Intelligence

FROM: George L. Cary  
Legislative Counsel

SUBJECT: Senate Select Committee on Intelligence  
Subcommittee Assignments

1. Action Requested: None; for information only.
2. In March, I sent you a list of the membership of the subcommittees of the Senate Select Committee on Intelligence. There have been numerous changes since that time, primarily because of the recent Senate resolution limiting a senator to membership on only two subcommittees of each of his committee assignments. A new listing is attached.
3. Two new SSCI subcommittees for the 95th Congress are the Subcommittee on Secrecy and Disclosure and the Subcommittee on Special Investigations. The Secrecy and Disclosure Subcommittee will inquire into the need for sources and methods legislation, improvements needed in the present classification system, and security programs of industrial contractors and of the agencies comprising the Intelligence Community. It was in this latter regard that Mark Gitenstein, Senator Joseph R. Biden's (D., Del.) designee on the SSCI, met yesterday with Robert Gambino, Director of Security. The creation of the Subcommittee on Special Investigations represents a Committee effort to centralize its investigative work.
